

ENVIRONMENTAL PREPAREDNESS, PREVENTION AND CONTINGENCY PLAN (EPPC)

Environmental Health and Safety has written an EPPC Plan to minimize hazards to human health and the environment from fires, explosions, or any unplanned, sudden, or non-sudden release of hazardous waste, hazardous materials, or radioactive materials to the air, soil, or water.

The EPPC Plan is included as part of the Disaster Environmental Preparedness, Prevent Plan (DEPP Plan).

Contact Environmental Health and Safety (610) 758-4251 for additional information.
