

Policy Number: 10
Effective Date: 10/1991
Revised Date: 5/1/2019
Applicability: Confined Space Entry Policy

Purpose

To ensure all occupational entries into confined spaces is done safely and in accordance with OSHA 29 CFR 1910.146 Confined Space Entry.

Policy

All individuals working in a confined area must follow the guidelines established by the Occupational Safety and Health Administration for confined space. This includes supervisor approval, air quality testing, ensuring constant communication, proper recording of air quality measurements and emergency response planning.
