

Policy Number: 18
Effective Date: 2/1999
Revised Date: 5/1/2019
Applicability: Contractor Safety Policy

Purpose

To ensure contractors working on University property follow the regulatory requirements of the Occupational Safety and Health Administration (OSHA) and Lehigh Contractor Safety guidelines established by Environmental Health and Safety.

Policy

All contractors will review and follow Lehigh's Contractor Safety program and the requirements of the Occupational Safety and Health Administration (OSHA) for construction and industry. A safety presentation is available on Facilities Services website as well as Environmental Health and Safety's website.

For further information contact Environmental Health and Safety at 84251 or visit the website <https://facilities.lehigh.edu/about-us/environmental-health-safety>.
