

Policy Number: 19  
Effective Date: 6/2013  
Revised Date: 5/1/2019  
Applicability: Nanotechnology Safety Policy

### Purpose

To ensure students, staff and researchers follow the safety guidelines established by University faculty in the field as well as Environmental Health and Safety as regulatory safety guidelines have yet to be established by the Occupational Safety and Health Administration (OSHA).

### Policy

All University personnel working in laboratories where nanoscale materials are in use will follow the guidelines established by Environmental Health and Safety. The guidelines are available on the Environmental Health and Safety website.
