

Policy Number: 16
Effective Date: 1/1995
Revised Date: 5/1/2019
Applicability: Personal Protective Equipment Policy

Purpose

To protect employees from the hazards of processes or environment, chemical hazards, radiological hazards, mechanical irritants, nanomaterials, lasers, power tools or other forms of equipment that may cause injury. PPE provides protection to the eyes, face, head and extremities and may be in the form of clothing, footwear, eye protection, gloves, fall protection equipment, respirators, hardhats or lab coats.

Policy

All University personnel will follow the safety guidelines established by Environmental Health and Safety in regards to the use of Personal Protective Equipment (PPE) which is in compliance with the requirements of the Occupational Safety and Health Administration (OSHA).
